

## HealthFlex PPO: Fidelity Investments

Coverage for: Individual/Family Plan Type: Self-Funded PPO

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit [NetBenefits.com/Fidelity](https://www.fidelity.com/NetBenefits.com/Fidelity) or call 1-800-835-5099. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at <https://www.cms.gov/CCIIO/Resources/Forms-Reports-and-Other-Resources/Downloads/UG-Glossary-508-MM.pdf> or call 1-800-835-5099 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	<u>Network</u> : \$300 Individual / \$600 Family <u>Non-Network</u> : \$600 Individual / \$1,200 Family Does not apply to copays, pharmacy drugs, and services listed below as "No Charge".	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u> ?	Yes. <u>Preventive Care</u> and categories with <u>copay</u> are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the annual <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered services at <a href="http://www.healthcare.gov/coverage/preventive-care-benefits">www.healthcare.gov/coverage/preventive-care-benefits</a>
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?	<u>Network</u> : \$1,500 Individual / \$3,000 Family <u>Non-Network</u> : \$3,000 Individual / \$6,000 Family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u> ?	<u>Premiums</u> , <u>balance-billing</u> charges, health care this <u>plan</u> doesn't cover, penalties for failure to obtain pre-notification for services.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes. See member.Accolade.com or call 1-844-287-3861 for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge</u> and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.

Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
